

ELECTRICAL COUNCIL OF FLORIDA
PINELLAS CHAPTER
GENERAL MEMBERSHIP MEETING
VFW POST 4364
5773- 62nd St. North
Saint Petersburg, FL 33709

Next Meeting: Thursday May 27, 2021

Charlie Spitzer, President of A. Randy's Electric, Inc. and Treasurer of Pinellas Chapter ECF, will be presenting a one-hour class on "*Isolation Transformer and Buck and Boost Transformer selection, wiring and installation*". The handouts will contain selection charts, applications and wiring diagrams for your future use and to share with your personnel to aid in installations.

This class will be for information only and is not a CEU. Field workers will also benefit from this class and handouts will be provided. Apprentices are welcome to attend. Please join us as you will find this program remarkably interesting and informative. If you know of anyone who would like to join the Pinellas Chapter for this program, please forward this notice to them.

Mary will be serving 15 Bean soup and Ham with Double Baked potato, salad, and Dessert. Masks are no longer mandated by the State of Florida but are recommended by the CDC.

It is especially important that you make reservations so that enough handouts can be provided, and dinners be ordered.
