The Palace's award-winning accommodations offer guests a warm and relaxing environment. Coastal images taken by local photographers add a finishing touch to each clean, fresh, smoke free guest room.

Just off the lobby, you'll discover *Pure*, the Palace Spa and Fitness Center, gift shop and a professional-level business center. On the second floor, accessible by elevator, escalator, or stairs, you'll find the casino, restaurants, and lounges for your enjoyment.

Biloxi is home to over 46,000 residents on the Mississippi Sound where it meets the Gulf of Mexico. Dating back to the late 1690's the city has a rich and varied cultural history. Today, it's a popular vacation destination that's also known for its string of casino's scattered along Highway 90.

It has taken the Mississippi Gulf Coast over a decade to recover from Hurricane Katrina that virtually erased Biloxi's beachfront in 2005. Many of Biloxi's casino resorts, got million-dollar make-overs, others, like the Palace, were so badly damaged that they had to be rebuilt landside.

The Biloxi Lighthouse welcomes visitors while standing guard over museums, shopping adventures and other attractions. Treat yourself to some old fashioned Southern Hospitality!
