May's Meeting

For May's meeting the Chapter held a one hour CE class titled "Major Electrical Changes in the 6th Edition (2017) FBC Advanced", ECLB Course #0802040. This class met the ADV requirement for Electrical Contractor's license renewal. Fifteen members and guest were in attendance for the evening.

June's Meeting

In June the Chapter will present a 2 hr technical CE Class titled 6TH Edition (2017) Florida Energy Conservation Code, ECLB Course #0802028. The CE class will start promptly at 6:30 pm.

Salad, Tacos and desert will be served for the evening's meal.

If anyone has a subject that you would like to have more information on, please include some suggestions for future meeting topics along with your RSVP. At present time the next three months are available for guest speakers.
