

ELECTRICAL COUNCIL OF FLORIDA
PINELLAS CHAPTER
GENERAL MEMBERSHIP MEETING

*VFW POST 4364
5773 - 62nd St. North
Saint Petersburg, FL 33709*

Next Meeting: Thursday, October 24, 2019

I am pleased to announce that Austin Bass and Tyler Salesky of Federated Insurance will be our co-instructors for this month's meeting.

They will be presenting a CE class titled: "Distracted Driving - What You Need to Know". This class counts toward one CE hour of Safety (Prefix S). ECLB Course Number: 0801744 and Provider Number: 0001107 fills the one hour of Safety requirement for renewal of your electrical license prior to September 1, 2020.

Federated Insurance's presentation on Distracted Driving will include information not only on being distracted while operating a vehicle but also discuss important safety information that will help protect both your business, employees and others from potentially serious injuries while avoiding the high cost of traffic accidents and potential liability claims.

Casey Landry of State ECF will be assisting in admin/sign in certifications. This presentation will be valuable to anyone that owns or drives vehicles.

Please join us as you will find this program very interesting and informative. If you know of anyone who would like to join the Pinellas Chapter for this program, please forward this notice to them. Mary will be serving Baked Ham with scalloped potatoes, marinated green beans, rolls, salad and chocolate chip cookies for dessert.
