Email:  
nlburdick12@gmail.com

The Chapter had a great turn out for the last meeting of 2019. There were over 60 vendors, members and guest in attendance. Special thanks to all the Vendors that donated all the great door prizes.

## January's Meeting

The first guest speaker for 2020 will be our very own education coordinator Mrs. Casey Landry. Casey will be presenting a one hour CE class required for Contractor License renewal. The Class is titled "Overview of Laws and Rules Electrical", Provider Number: 0000899 – Course Number: 0801614, this will satisfy the 1 Hr L&R credit needed.

I have also invited Mrs. Cecily Millan VP of the GMS Group to explain some of the changes that will be happening to the ECF due to some new Tax laws that have been put into effect concerning not-for-profit organizations.
