October 2023 Meeting

The Chapter would like to thank all the vendors and all the attendees that made our Annual Min-Trade show a great success. Mr. Bobby Dunson with Hillsborough County won the flat screen TV grand prize.

January 2024 Meeting

For January we will be having a One-hour CE class presented by Chris Goss and Ross Kelley with Federated Insurance titled “YOU HOLD THE KEYS TO DRIVE SAFE” 1 Hour Prefix S Course Number: 0802836 Provider Number: 0000899

Not only is distracted driving a serious problem, but it’s also an epidemic. With each new mobile device, the potential for behind-the-wheel distractions increases and so does your business’s exposure to the potential loss of your company’s assets. Visual, physical and/or mental distractions can also play a major role in how safe your employees perform when driving your vehicles. You hold the key to proper training and supervision of their driving habits.
