January Meeting

Our first speaker for 2022 will be Mr. Timothy McGrath who is the Field Office Manager for the Department of Business and Professional Regulation / Division of Regulation. Tim's presentation will include an Overview of the DPBR, he will share the Division of Regulation Mission & Goals and inform those in attendance of the DPBR's Unlicensed Activity Enforcement Efforts along with the 2020- 2021 totals. Tim will show how to properly Report Unlicensed Activity to the DPBR and tell every one of the DPBR resources that are available to Licensee's. Tim will then take questions from the floor to answer. One part of the Division's mission is to protect the health, safety and welfare of the public by identifying and eliminating unlicensed activity and by preventing unsuspecting consumers from falling prey to unlicensed and unscrupulous individuals. The department works hard to carry out proactive outreach and enforcement operations throughout the entire state. Tim brings 16 years of Law Enforcement experience to the Department and is a Veteran of the United States Air Force.
